

CELEBRATING PHILANTHROPY

Seventeen years ago, the Chippewa Valley Fund Raising Professionals (CVFRP) began what has become an annual tradition: an event to celebrate the many ways philanthropy enhances the quality of life in the Chippewa Valley.

This event allows us to show our appreciation for all that has been accomplished in the name of giving, and to thank those whose generosity makes our communities better.

*We invite you to join us to recognize the 2011 honorees
and to help keep the spirit of giving alive.*
